Thank you for helping US build a better community,  
East End Family Fun Days Team

Dear Superior Neighbors,

It is that time of year again! *East End Family Fun Days* (EEFFD) will be held on *Saturday, September 16<sup>th</sup>, 2023* – *As always, the East End Family Fun Days Family* would like to start with a big thank you to everyone in our community for their support last year and sticking with us as the first half of the event was a wet one! Things brightened up a little later in the event and we were able to get plenty of fun in. This year we are planning for a lot nicer weather! Without our amazing **community this event would not have been possible. As tradition, we will be back out on Superior's** Own East 5<sup>th</sup> Street with some of the best rummage sales the Northland has seen! In addition to the sales, we will also have a children's fun zone, our 3rd annual Rummage Sale, Fashion show, Dog parade, lots of food, craft and vendor stands, raffles, games, and our street dance. This is one event that you will not want to miss!

We have received a lot of feedback that everyone is enjoying all the ways they can access the information they need at [www.eastendfamilyfundays.com](http://www.eastendfamilyfundays.com) along with the most up to date info on EEFFD right on our website at any time! Our website will enable all vendors **and supporters' access** to all information including digital forms that can be filled out and submitted on our website and printable registration forms if you prefer. The website has the most up-to-date information on events and sale listings for the EEFFD rummage sale map and much more!

Did you know that East End Family Fun Days Inc. is now an official 501(c)(3) Non-Profit Charity organization? That enables our community partners' donations to be tax deductible for the individual or organization that makes the contribution. East End Family Fun Days could not exist without the support of our community partners. Every dollar donated by our sponsors and eventgoers is put back into the event to grow bigger and better or given directly back to the community. Last year we had the Superior **Spartan's dance team volunteer at the event Below is a picture of two of the dance team members and our Director, Adam Herubin, providing them with a \$500.00 check to help with their team's money raising efforts for dance season! Do you have an idea for a local group or family that could use EEFFD's support? Please share!**

As a community, we will safely continue to build and grow the tradition of Superior's oldest family-oriented community event East End Family Fun Days. Together, with the help of our supporters and community sponsors, we will continue to build Superior into the best family friendly city in the state!
